We are actively working to put all the pieces in place to make our dream a reality before the snow flies. The first thing we need to do is to put in the fencing. Since this is a privately funded park, that means raising money, which is why I am writing to you. I would like to ask you to help us by making a tax deductible donation to the park. If your employer has a matching program, apply for matching funds.

While all donations will help, donations in excess of \$250 will be listed on a "Wall of Paws" at the park, and we would love to see your name on that wall. Check out our website at **www.sharondogpark.org** where we will list the Wall of Paws donors as well as upcoming events.

NOW IS THE TIME TO SUPPORT THE SHARON DOG PARK

AND MAKE IT A REALITY IN SHARON

Dear Friends of the Community:

The Sharon Dog Park is a grassroots effort to build a community off-leash dog park within the Town of Sharon. The park will be located at the old horse corral at Deborah Sampson Park on approximately one acre. This site was chosen because of its proper zoning and appropriateness for a community dog park.

We invite you to participate in this project by making a financial contribution or by becoming a volunteer. Our goal is to raise the needed funds for fencing, benches, a kiosk, and other dog park needs. If you are a dog owner, a dog lover, or simply recognize the community's need for this positive project, please support us.

For more information, you may visit us at www.sharondogpark.org or sharondogpark@aol.com.

Thanks for your support.

See you at the park!

The Sharon Dog Park has many larger amenities that will need additional financial assistance to acquire and install within the park. Items such as benches, clean-up stations, picnic tables, information board, kiosk, and more. Sponsors are needed to underwrite these specific items and services. In-kind sponsorships are just as important, such as a construction company donating the use of equipment and resources to build certain structures, etc. Sponsors of the park's amenities will be recognized with an engraved, all-weather plaque placed on the sponsored item.
